FEMINEER® DAY CAMP

The Femineer® Virtual Day Camp will be held a for rising 6th to 12th graders.

Femineer® Camp is a 4-day virtual student camp tailored toward middle school to high school aged students, **grades 6th-12th**. Your student will have the opportunity to select **Introduction to Engineering curriculum** focusing on real-world engineering skills and/ or **Wearable Technology curriculum** focusing on basic circuitry, C programming, and learning how to use conductive thread, bright neopixels, and wearable microcontrollers.

WHEN

* Introduction to Engineering for incoming 6th-8th graders **(June 14-17, 2021)** for $100.00 per student.

*Wearable Technology for incoming 9th-12th graders **(June 21-24, 2021)** for $300.00 per student.

*Introduction to Engineering for incoming 9th-12th graders **(July 12-15, 2021)** for $100.00 per student
